RE: Case number 2013-00338

Ann,

I received the letter dated March 7, 2014 accepting our plan to repay the monies that were billed early on our Jan. billing cycle. We didn't know what to do on the Feb. 2014 billing cycle so we billed it at our old rates, and I listed the difference as customer credit. On the spreadsheet that is attached I have broken down what we overbilled for Jan. 2014 and what we have given customers credit for up to this point.

If you have questions please let me know.

Sincerely,

Bernie McDaniel
